Tootekirjeldus

Allergy-safe super premium feed containing only one type of animal protein to prevent allergic reactions.

- The feed is particularly suitable for those dogs with sensitive digestion, special dietary requirements or the risk of developing food allergies.

- Probiotics and antioxidants support the health of the immune system and digestive system.

- Optimum content of amino acids for building and repairing muscle tissue.

- Milk thistle supports the work of the liver and at the same time cleanses the body and rids it of harmful toxins.
